

SUPERVISORS SAFETY CERTIFICATE PROGRAM REGISTRATION FORM

The Supervisors Safety Certificate Program was established on May 1, 2012 to recognize those who have invested time and energy into learning the key elements of occupational health and safety from a supervisor's perspective. The Supervisors Safety Certificate will be provided to students who complete all the required courses and an additional 8 hours of BCMSA training from any of our other courses. **Participants in the program must complete all courses within a three year period.**
