INTELLECTUAL PROPERTY	<p>The [Organization] shall own all right, title and interest in the Work Product. The [Organization] grants to BC Municipal Safety Association a non-exclusive, non-transferable, irrevocable, royalty free, world-wide license to make, copy, practice, reproduce, alter, publish and distribute the Work Product, including posting the Work Product on the BC Municipal Safety Association website, for commercial and non-commercial purposes and in connection with and to the extent necessary for BC Municipal Safety Association's receipt and use of the Activities. Upon request, the [Organization] shall make the Work Product available to BC Municipal Safety Association for such purposes. BC Municipal Safety Association may sublicense to its agents and subcontractors the right to have access to and use the Work Product solely for BC Municipal Safety Association's receipt of the benefit of the Activities. The [Organization] hereby warrants and represents that the Work Product does not infringe any third party intellectual property rights. This non-exclusive grant does not apply to materials in which ownership or copyright is held by a third party. For the purposes of this section, "Work Product" is defined as all discoveries, inventions, designs, drawings, processes, procedures, reports, plans, models, data, systems, programs, specifications, work-in-progress and documentation in any form whatsoever created or reduced to practice or fixed in a tangible medium of expression by or on behalf of the [Organization], whether alone or with others, as part of or ancillary to the Activities.</p>

Please note, if successful the applicant will require to enter into an agreement with the BCMSA.
